

Alma 31:5

& now as the preaching of the word had had a great tendency to lead the People to do that which was just yea it had had more powerful effect upon the minds of the People thōn the sword or any thing else which had hapened unto them therfore Alma thought it was expediant that they should try the virtue of the word of God

& now as the preaching of the word had had a great tendency to lead the People to do that which was just yea it had had more powerful effect upon the minds of the People thōn the sword or any thing else which had hapened unto them therfore Alma thought it was expediant that they should try the virtue of the word of God

And now, as the preaching of the word had a great tendency to lead the people to do that which was just—yea, it had had more powerful effect upon the minds of the people than the sword, or anything else, which had happened unto them—therefore Alma thought it was expedient that they should try the virtue of the word of God.
