Chapter — —

Jesus Christ sheweth himself unto the people of Nephi as the multitude were gathered together in the land Bountiful & did minister unto them—  
And on this wise did he shew himself unto them—

And now it came to pass that there were a great multitude gathered together of the people of Nephi round about the Temple which was in the land Bountiful & they were marveling & wondering one with another & were shewing one to another the great & marvelous change which had taken place

& they were also conversing about this Jesus Christ of which the sign had been given concerning his death

& it came to pass that while they ~~w~~<sup>were</sup> thus conversing one with another they heard a voice as if it came out of Heaven & they cast their eyes round about for they understood not the voice which they heard & it was not a harsh voice neither was it a loud voice nevertheless & notwithstanding it being a small voice it did pierce them <sup>that</sup> did hear to the centre insomuch that there were no part of their frame that it did not cause to quake yea it did pierce them to the verry soul & did cause their hearts to burn

& it came to pass that again they heard the voice & they understood it not

& again the third time they did hear the voice & did open their ears to hear it & **their** eyes were towards the sound thereof & they did look steadfastly towards Heaven from whence the sound came

& behold the third time they did understand the voice which they heard & it sayeth unto them
